

**Caribbean Dream Relaxer, Inc.**

## **INFORMATIONAL CONSENT FORM**

**CARIBBEAN DREAM RELAXER, STRAIGHTENER, HAIR TAMER, SOFT WAVE, FRIZZ KILLER**

### **GENERAL DESCRIPTION**

Caribbean Dream Relaxer is intended for the sole purpose of retexturizing hair. CDR **permanently** changes the **natural** texture of hair. Caribbean Dream relaxer will straighten and smooth hair, create softness, shine and manageability, plus eliminate frizz.

### **CANDIDATES FOR CDR TREATMENTS**

Hair that is curly, frizzy, wavy, unruly or coarse. CDR may be used on hair that has been previously permed, relaxed, color treated or highlighted at the discretion of your professional stylist.

### **Results**

Depending on prior straightening or color applications, mild discoloration might appear.

### **AFTER CARE TREATMENT**

Once hair has been retexturized with the CDR treatment, **DO NOT WASH HAIR FOR 72HRS.** Hair must remain loose and unrestricted. (No rubber bands or barrettes). Deep conditioning is required after CDR treatment, and may be done immediately after receiving treatment and is recommended weekly.

### **Customer Consent:**

1. I consent to this self-managed procedure.
2. I have read this consent form and understand the risks, responsibilities, and benefits explained on it.
3. I have had the opportunity to ask questions regarding this procedure.
4. I consent to treatment and I assume the responsibility for the risks described above. **\*THIS DOCUMENT MUST BE SIGNED BY ALL CLIENTS PRIOR TO RECEIVING CARIBBEAN DREAM RELAXER RETEXTURIZING SERVICES (Straightener, Hair Tamer, Soft Wave and Frizz Killer)**
